Assignments	
Day I - Write each homophone and its o	definition.

Day 2 - Write each word in a separate sentence. Each sentence must be at least seven words. Each homophone must be underlined.

Day 3 – Write a paragraph using 15 different homophones on your list. The paragraph must have a topic sentence, at least 5 detailed sentences and a conclusion sentence. Each homophone must be underlined.

Day 4 - Write another paragraph using the same criteria as day 3.

Day 5 - Test: Write a silly story using the first 8 homophones on the above list and at least one of each homophone pair/group of your personal homophones.
