10. \_\_\_\_\_

## Assignments

Day 1 – Write each homophone and its definition.

Day 2 – Write each word in a separate sentence. Each sentence must be at least seven words. Each homophone must be underlined.

Day 3 – Write a paragraph using 15 different homophones on your list. The paragraph must have a topic sentence, at least 5 detailed sentences and a conclusion sentence. Each homophone must be underlined.

Day 4 – Write another paragraph using the same criteria as day 3.

Day 5 – **Test:** Write a silly story using the first 4 homophones on the above list and at least one of each homophone pair/group of your personal homophones.
